In the Pod with Mutual Aid orders

A DIFFERENT KIND OF YEAR

Erica Williams, Executive Director

We were so thankful for the ability to pivot during the pandemic, to still meet the needs of North County families with groceries, diapers, cleaning supplies, hygiene products, school supplies, and more. Our new North County Pod with Stl Mutual Aid provided us with amazing space to service over 900 clients with ease.

We invite you to support A Red Circle with a financial gift that is meaningful to you to help us reach our goal of \$5,000. **Each dollar we receive will be matched, up to \$5,000 for a grand total of \$10,000!** We intend to continue serving clients in 2021 during this current crisis.

Program Spotlight

VIRTUAL PARENT CAFES

Meeting virtually hasn't been the same but, hearing kids and babies in the background makes it fun. As parents, we all can use extra support and an ear to listen. Program Associate Drew Foster navigates parents through poignant conversations. We provide dinner, diapers, and activity kits to families. Parents also win door prizes.

"The Parent Café was phenomenal, extremely informative, and inviting. The resources helped me and my family navigate through these times."
